GENERAL COMMENT

This year we were pleased to welcome Mitsubishi Electric Australia, as the new sponsor for our largest event of the season.

With 1389 teams entering the Championship, everyone was expecting a big day and we were all given just that!

I would like to thank athletes and officials alike, for making the day the success that it was. Although the temperatures soared all day, the enthusiasm of the athletes never waned and at no time was there a shortage of officials.

We now eagerly look towards 1995, when this our largest Championship moves to Homebush - the home of the Year 2000 Olympics!!!
