GENERAL COMMENT

The State Relay Championships once again lived up to expectation and proved to be an exciting and action-packed day. 1055 teams, representing 68 Centres took part in the 64 events on offer. These figures equate to approximately 4150 competitors. Congratulations to each and every one of these athletes for their participation in what was a tough, yet fun day of competition.

With a great deal of construction taking place at the Homebush site at present, getting 9000 people into the stadium was always going to be a challenge. Thank you to those Centres who organised alternative means of transport and encouraged the use of car pools. Thank you also to everyone who attended, for their patience and understanding in this regard.

Finally, thank you to the hundreds of officials who battled the heat all day and conducted yet again an extremely professional and well-run event.

We look forward to seeing everyone back again in November 1998.
