

YOU CAN'T WIN A RACE BY A NOSE

Tips for Judging Track Event Placings

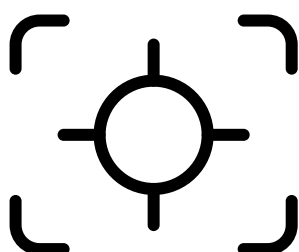

01 THE TORSO TELLS THE STORY

In track events, placings are determined by when a competitor's torso reaches the finish line.

02 TOTALLY THE TORSO

The torso **DOES NOT** include the head, neck, arms, legs, hands or feet.

03 PLACE JUDGE FOCAL POINT

Place judges have to watch for the torso only to reach the finish line.
