INDIVIDUAL ATHLETE PROGRAM Membership Information

Introduction

Little Athletics NSW is aware that there are a number of young people living in regional NSW with no Little Athletics in their town or area, and where weekly attendance at a Little Athletics centre is out of the question due to travelling distances. We recognise, however, that while many of these young people cannot attend Little Athletics in a conventional manner some would relish the opportunity to take part in special events that are exclusive to Little Athletics NSW members.

What is “Individual” membership?

The Little Athletics NSW “individual” category of membership allows young people who are isolated by distance with a genuine opportunity to become active members of Little Athletics NSW.

Boys and girls that reside 100km or more from the nearest Little Athletics centre, and who are eligible to compete in the Under 7 to Under 17 age groups, may seek registration directly with Little Athletics NSW without first having to become a member of a centre.

The Benefits of Individual Membership

Individual members have the opportunity to:

- Enter Zone, Region and State Track and Field Championships
- Enter State Combined Carnival and State Cross Country and Road Walks Championships
- Attend members-only coaching camps and clinics (age restrictions apply)
- Compete as a “visitor” at Little Athletics centres throughout the state without having to become a member of a Little Athletics Centre

Little Athletics New South

The Registration Process

Interested individuals may simply contact the Little Athletics NSW office via admin@lansw.com.au to obtain registration process as it is all online.

Cost of Registration

The fee for individual membership for the 2022-2023 season is \$80.
Active Kids Voucher can be used towards the fee.

For this fee, the individual registered member will receive:

- Free entry to zone, Region and State Track and Field Championships for which the athlete has qualified.
- Entry to State Cross Country Championships, State Road Walks Championships and State Combined Carnival for an additional fee which will be advertised.
- Access to members-only coaching camps and clinics (age restrictions apply)
- A registration number and appropriate age patch
- Insurance coverage for participation in all Little Athletics recognised events.

Other costs

An individually registered member must wear a specific competition uniform to Little Athletics events. The uniform consists of a plain white t-shirt/singlet/crop top and plain black short/bike pants/briefs. If the member does not already possess such clothing, the items will need to be located and purchased before the athlete attends their first official competition.

Insurance

An individually registered athlete has the same insurance cover as all members registered with a Little Athletics centre, namely:

Cover is provided for injuries caused solely by active participation in officially organised and sanctioned events, practice and training sessions and official functions including traveling to and from such events.

Communication

Little Athletics NSW ensures that individually registered members and their families are kept up to date with all relevant information. This will be through email and Little Athletics NSW newsletters.

Such information may include the date, location and entry procedures for championship events and the organisation of coaching activities conducted by Little Athletics NSW.

Little Athletics NSW also has a website and Facebook page that can be used to access.

More information

For more information about individual membership with Little Athletics NSW contact us by phone 029633 4511, email admin@lansw.com.au or www.lansw.com.au
