

# HART ZONE SPORT CHAMPIONSHIPS

 Little Athletics  
NSW

2023/24

## **South Coast - Highlands Zone 2023-2024 Zone Championships**

Once again, we find ourselves back at the Kerryn McCann Athletics Facility for our annual Zone Championships. These championships will be conducted with a tinge of sadness for me as this will be my last Zone Championships. After 25 years as Zone Coordinator, I am retiring from the position of Zone Coordinator. More importantly though, we are losing the services of some very special people who make this weekend run.

Firstly, Chris McCabe, the guru of the Timing Gates is leaving us to take up a new work position in Queensland, and I wish Chris, and his family all the best in Brisbane.

His partner in crime so to speak, Peiti Haines who looks after Data Entry, will also be finishing up. Her talents in this area has provided us with a seamless carnival for many years. The relationship developed between herself and Chris with regards to data flow from the track is something to behold. I forgot to mention that Peiti is my daughter and her involvement in this Zone is because of that.

The third member of the trilogy at the end of the track, Track Referee Tony Coutts-Smith. Tony has become a member of the grey nomads and has discovered that there is more to life than work and Little Athletics. Tony has officiated as track referee for too many years and does deserve a rest.

Also, from the great group of people who have donated their time and wisdom to the Zone Championships for many years, I believe that we will also be seeing Brett Barklay as Safety Officer and general mister fixit and Kath Dumas as Triple Jump Chief for the last time. It is also possible that we could lose up to 4 other key personnel, but that is yet to be officially announced.

Now about the program. These Championships are not a timed carnival. The events will run at a pace that will allow each day to finish as early as possible, but at the same time, ensure that every athlete competes in all the events that they have entered.

To this end, if a Field Event is almost completed (especially High Jump), it might happen that the track is delayed for a few minutes to allow the field event to finish, rather than hold the field event up for a much longer period of time. This may, or may not happen, only time will tell.

My thanks to the Wollongong City Centre for providing all the equipment that will be used for the Championships, something we are truly grateful for.

For the Under 7's, the Zone Championships is the end of the road, there is no further Championships this season. To recognise this, the Under 7's will receive special medals provided by the Association, medals that are replicas of those presented at the State Championships.

For the Under 8's through to the Under 17's these Championships can be all that they wish to compete in, or they can be a stepping-stone to the Regional Championships and State Championships. The first three athletes in each event automatically qualify for the Regional Championships to be held on the 10<sup>th</sup> and 11<sup>th</sup> February back here at Beaton Park. This happens for all 4 zones in the region. This leaves 4 vacant positions in each event, which will be filled by the 4 next best qualifiers from within the Region.

To all the people who will be out helping at the various events this weekend, thank you.

To all the athletes, the best of luck to you all and it is my hope that you achieve the results and goals that you have set yourself for these Zone Championships.

## **SOUTH COAST - HIGHLANDS ZONE CHAMPIONSHIPS**

### **SCHEDULED START TIMES**

	Saturday	Sunday
First Call For Referees & Chief Officials	8.15am	8.15am
First Call For Officials	8.25am	8.25am
First Call for Events (Field)	8.40am	8.40am
First Call for Events (Track)	8.40am	8.40am
First Field Events	9.00am	9.00am
First Track Event	9.05am	9.05am

### **GENERAL INFORMATION**

#### **Starting Blocks**

Any athlete wishing to use starting blocks must use the blocks provided by the Wollongong City Little Athletics Centre.

#### **Footwear**

- (i) Spikes are not to be worn by any athlete competing in the Under 10's or younger.
- (ii) Spikes **are not** to be worn to, or in, the marshalling area. Any athlete arriving at the Marshalling area wearing spikes will be refused access and will not be marshalled for their event.
- (iii) Spikes **shall not** be put on in the marshalling area.
- (iv) Spikes are only to be put on at the event area. Athletes must wait until they are directed to do so by the officials at the start area or at the Field Event competition area.
- (v) Spikes **MUST** be removed or covered at the conclusion of an event and before leaving the track or competition area. Penalties may be applied for failure to comply with this instruction.
- (vi) For the Under 11 and Under 12 age groups, spikes may only be worn for laned track events as well as Long Jump, Triple Jump and High Jump.
- (vii) For the Under 13 and older Age Groups, spikes may be worn as specified in (vi) above, as well as events not run entirely in lanes, except for Walk events.

#### **Qualifiers to Finals (Not Applicable to 400m, 200m Hurdles or 300m Hurdles)**

There are several events where heats and finals are required. The finalists for the events will be the first 3 placegetters in each heat plus the athletes with the next 2 fastest times. Placings are to be considered if more than two (2) competitors have the next fastest time.

Should only 8 or less athletes be marshalled for the heats of an event then the event shall be run as a straight final at the time of the heats. Once it has been advised that a straight final is to be conducted marshalling will be closed for that event and any late arrivals refused entry.

### **Progression to the Regional Championships**

The first 3 placegetters in each event for age groups U/8 and higher, except for relays, will qualify for the Regional Championships to be held on the 9<sup>th</sup> and 10<sup>th</sup> February.

For Relay Teams, the first 2 place getters automatically progress to the Region 4 Championships.

### **Withdrawal from Regional Championships**

Any athlete who finishes in the top 8 of an event at Zone who is unable or does not wish to compete at the Regional Championships, would they please notify their Team Manager who in turn is to advise the Zone Co-Ordinator of the withdrawal (in writing), prior to the end of the Zone Championships. This will then allow other competitors to have the opportunity to compete at the Regional Championships.

Parents and athletes need to be aware that there is a \$10 entry fee for each athlete for the Regional Championships. This is to cover the cost of ground hire, first aid and officials shirts. Any athlete who does not notify their Centre of their withdrawal by the completion of the Zone Championships but later withdraws will be charged the \$10 fee.

### **FIELD EVENTS**

The athletes in the first field events called on both Saturday morning and Sunday morning are to go directly to the event area, not the Marshalling area. After the first events, all athletes are to report to the Marshalling area before being escorted to the relevant Field Event area.

### **EVENT CLASHES**

It is a rule of athletics that ***track events take precedence over field events***. At larger carnivals where clashes are more likely and the effect of a clash on the program is more pronounced a "Clash Manager" is utilised.

For these Championships the "Clash Manager" position is not utilised. Past experience has shown that Team Managers have been able to advise the Marshalling area of the small number of clashes that have occurred. In addition, the Chiefs and Referees at Field Events are instructed to ensure that athletes at a Field Event who are called to a Track Event are not disadvantaged.

If, however, anyone would like to take on the role I am sure that we would gratefully accept the offer of your help.

Athletes are instructed not to leave a Field Event area if called for a Track Event. They are required to inform the Chief Official of the event that they have been called for a Track Event. The Chief Official will ensure that the track marshalls are aware of the location of the athlete and are requested to be notified when they are required to leave the Field Event and proceed to the track event.

Additionally, Chief Officials will make every effort to ensure that such athletes do not lose their focus on the event in which they are competing, or to place an athlete at a disadvantage because they have a track event at the same time as they are competing at a field event.

**Under no circumstances is a parent to enter the competition area to remove an athlete in order to take that athlete to the track marshalling area.** Should an athlete leave a Field Event competition area without the permission of the Chief Official of the event, they will be deemed to have withdrawn from any further competition in that event.

This means that any athlete who is taken from an event by a parent or coach, will not be permitted to re-enter the competition, or have any trials they may have missed as a result of leaving the event.

### **400m, 200m Hurdles and 300m Hurdles EVENTS**

These events will be timed finals. What this means is that if there are 2 heats then the placings will be determined solely on times and placings will not be taken into consideration.

This has been done to minimise the stress on athletes having to run heats and then finals for these events within a couple of hours. Especially when other zones may not have to run heats and finals for these same events.

This process has been used for a few years at the State Championships for 800m events.

### **HIGH JUMP**

For the Under 9's and 10's the scissors kick is the only legitimate technique for High Jump. The rules regarding how an athlete may jump are quite specific and as such an athlete may have a jump recorded as a foul even though the bar has not been dislodged. The rules are complicated but specific regarding the definition of the technique.

Any protest lodged regarding a decision of the High Jump Chief to foul an athlete because of an incorrect technique will be deemed as frivolous and will result in the protest fee being forfeited.

### **COMPETITION UNIFORMS**

#### ***Checking Of Uniforms***

The clothing of each athlete will be checked at the Marshalling Area before athletes are sent to an event. Any athlete who is not in their correct uniform will be asked to leave the marshalling area to have the problem rectified.

Any athlete asked to leave the Marshalling area due to uniform problems MUST return to the Marshalling area to have the uniform checked again and then to be escorted to their event.

EVENTS WILL NOT BE DELAYED WAITING FOR AN ATHLETE WHO WAS NOT IN THEIR CORRECT UNIFORM AT THE MARSHALLING AREA. If a track event starts while an athlete is attempting to get the correct uniform, then they have missed the event.

Additionally, Field Event Referees and Track officials may remove an athlete from an event even though they have passed through the marshalling area but are not fully compliant with the rules relating to uniforms.

## **OFFICIALS**

All Centres are providing officials for the weekend on a Pro-Rata basis, based on the number of athletes entered into the Championships.

## **RELAY TEAMS**

Centres are to nominate their Relay Teams with the entries for the Zone Championships. Centres do not have to nominate the members of the team until Sunday, at a time advised at the Championships.

## **COMPETITION AREA**

**ONLY** Competitors and officials are permitted in the marshalling area and the Competition areas. Any parent entering a competition area could be cause of an athlete being disqualified. Competitors **MUST** leave the area immediately after the completion of their event.

## **CALLS**

Each event will receive 2 calls only.

Calls **will not** be made for individual competitors in any event.

## **PROTESTS**

Protests may only be made by the Team Manager, who must lodge the protest in writing, within 15 minutes of completion of, or posting of the results of, the event to the Information Officer, accompanied by a deposit of \$50.

The deposit will be forfeited if the protest is frivolous.

The relevant event Referee may decide on the protest or may refer the matter to the Jury of Appeal.

The Team Manager lodging the protest may, if they are not satisfied with the decision of the Referee, shall have the right of appeal the decision. Such an appeal must be lodged within 15 minutes after notification of the original decision. of the result be be permitted to If the Referee decides, there shall be a right of appeal to the Jury, which must be made within 15 minutes after notification of the Referee's decision.

## **JURY OF APPEAL**

The Jury of Appeal will consist of between 3 and 5 people, chosen from the following:

Carnival Manager,  
President of Bowral,  
President of Northern Illawarra,  
President of Wollongong City  
President of Wollondilly  
President of Dapto,

Should and additional member for the Jury of Appeal be required then the Zone Secretary will be called upon to fill this position.

The representative of the Centre lodging the appeal shall be excluded and, anyone from the area for which the appeal is made. The make-up of any Jury of Appeal will be determined by the Zone Co-ordinator.

### **SAFETY OFFICER**

For all LANSW Championships, including these Zone Championships, the Association requires that a Safety Officer be appointed to the Championships.

The role of the Safety Officer is to ensure that the carnival is run safely and to ensure that all athletes, officials, and spectators are in a safe environment, even if they don't want to be. For this reason, the Safety Officer has the power to halt the Championships when situations such as Lightning and Thunder occur and to request, as an example, that if there are strong winds, that all tents, shades, and marquees are dismantled and packed up.

The power of the Safety Officer, in some instances, will over-ride that of the Carnival Manager with regards to the safety of athletes, officials and spectators. Should the situation arise where legitimate instructions or requests from the Safety Officer are not followed then they have the power to stop the carnival until the request has been acted upon.

Hopefully, the Safety Officer will have very little to do over the 2 days of the Championships, however, this could change very quickly if the safety of those at the Championships is potentially jeopardised.

One problem that has arisen in the past is that tents/marques have not been properly and securely tied down. It only takes one wind gust to cause serious damage to a marquee and anyone inside the marquee.

For this reason, if marquee considered to not be adequately weighed down or tied down, we will ask the owner to either rectify the situation or take the marquee down. Failure to do so may result in the championships being stopped until the request is complied with.

## **2023 SC-H ZONE CHAMPIONSHIPS**

### **GENERAL INFORMATION**

Dates: 2<sup>nd</sup> and 3<sup>rd</sup> December 2023

Venue: Kerryn McCann Athletics Facility

Start Times: Saturday 9am

Sunday 9am
