AUSTRALIAN LITTLE ATHLETICS CHAMPIONSHIPS

LANSW STATE TEAM SELECTORS POLICY

1. Introduction

The most critical people in the selection of the Little Athletics NSW State Team (besides the athletes) are the selectors. The selectors must properly follow and/or implement the selection policy and selection criteria. They must also bring special skills to bear in any exercise of discretion in order to select the best team possible in accordance with the selection philosophy.

This policy outlines the processes and procedures relating to the appointment of the Little Athletics NSW state team selectors. It also provides other information relevant to individuals considering applying for a state team selector role.

It is the responsibility of potential team selectors to read and understand this policy document and seek further clarification from LANSW as required.

2. Definitions

Some definitions of terms used in this policy are:

ALAC – Australian Little Athletics Championships

CEO – Chief Executive Officer

LANSW – Little Athletics NSW

3. The Australian Little Athletics Championships

The ALAC is a two-day event held every year, hosted by each State or Territory on a rotational basis. All States and Territories, apart from the Northern Territory, are usually represented at the championships.

A team of twenty-six (26) Under 13 athletes (usually, but not necessarily, 13 boys and 13 girls) is chosen to represent NSW in the Under 13 Teams Event (ATC) from performances recorded during the LANSW State Track & Field Championships. Plus, up to four U13 multi-class athletes will be selected to represent NSW.

Three girls and three boys are selected to represent NSW in the Under 15 Combined Event (ACEC), following performances at the LANSW State Combined Event Championships. Plus, up to two (2) U15 multi-class athletes will be selected to represent NSW.

The Under 13 athletes compete for the Trevor Billingham Trophy (for overall point score) and the Alan Triscott Trophy (handicapped point score). The smaller States and Territories of Tasmania and the ACT also compete for the Dick Healy Trophy.

The Under 15 athletes compete for individual medals and a separate team point score trophy known as the Life Members Trophy.

The overall focus of the championships is on team performance.

4. Under 13 State Team Selection Philosophy

LANSW is committed to selecting a combination of Under 13 athletes to represent NSW at the ALAC that:

16. The Team Selection Process

- (a) **Selection Meetings** – the selectors meet during the LANSW State Track & Field Championships and on the Monday, evening immediately following these Championships.
- (b) **The Selection Policy** – the agenda for the meeting should be based on this document.
- (c) **Order of Selections** – the confirmation of what appear to be the more obvious and straightforward selections, according to the selection policy, is usually an easy way to commence a selection meeting before progressing to the selections that require more discretion. No matter how apparent the inclusion of an athlete may appear, it should be confirmed that all selectors agree with the athlete’s selection and any interpretation of the selection policy.
- (d) **Exercising Discretion** – when discretion needs to be exercised, all selectors should have the opportunity to freely discuss the selection.
- (e) **Matters to be considered** – in the exercise of discretion there should be no bias and all relevant matters, and no irrelevant matters, should be taken into consideration and decisions must be reasonable, in good faith and not made under direction.
- (f) **Conflict of interest** – the chair should ensure that the conflict-of-interest policy is adhered to at all times.
- (g) **Voting** – ideally selectors may reach unanimous selection decisions through discussion. If this does not appear possible, the chair may call for a vote. If a vote is deadlocked for any reason, the chair will cast a vote also.
- (h) **Confidentiality** – it is vitally important that selectors are diligent in keeping selection matters and discussions held within meetings (especially relating to discretionary decisions) confidential and confined to the selection meeting itself.

17. The Role of the Chair

The chair will:

- a) Coordinate the selection committee.
- b) Coordinate and chair selection meetings.
- c) Ensure that the selection policy and criteria are properly followed and/or implemented.
- d) Ensure that the selectors know the content and intent of the selection policy.

- e) Control any exercise of discretion by the selectors.
- f) Enforce the conflict-of-interest policy.

18. State Team Selector Code of Conduct

In accepting a state team selector position with LANSW, an individual must acknowledge that the highest degree of professionalism in dealing with other committee members, athletes, parents, peers, and all others associated with the team is required. Therefore, the individual will:

- (a) Act with integrity, fairness, honesty, diligence, and non-bias.
- (b) Declare any actual or perceived conflict of interest to the chair and other panel members as soon as it arises.
- (c) Ensure that they are thoroughly familiar with the content and intent of the selection policy and all other related information.
- (d) Ensure that all selection materials, discussions, and meetings remain confidential to the selection committee.
- (e) Not be intoxicated nor consume alcohol whilst in the role of a state team selector.
- (f) Direct all enquiries from athletes, parents, coaches, etc., regarding the selection process to Little Athletics NSW.

19. Conflict of Interest Policy

In any sport, the pool of people who have appropriate knowledge and skills to be selectors is quite small. This means that there is a likelihood of individual selectors, from time to time, having a conflict of interest in relation to the selection process. These potential conflicts can be managed by having a robust conflict of interest policy for selectors. The chair of selectors must rigorously apply this policy to each selection decision.

A potential selector must declare any conflicts of interest prior to their appointment or as soon as they occur. "Conflict of interest" is defined as a situation where a selector has a personal interest in any athlete under consideration for selection. A conflict of interest might occur when, for example:

- A selector coaches an athlete vying for selection
- A selector is closely aligned to a Centre for which an athlete vying for selection competes
- A selector is a family member or family friend of an athlete vying for selection
- Any circumstance where a selector has a relationship with an athlete or athletes vying for selection or stands to gain in any way from the outcome of a selection decision.

Where a disclosure about a potential or actual conflict of interest arises, the chair may:

- (a) In the case of potential conflict of interest, authorise the selector to continue involvement in the selection process if an actual conflict does not materialise.
- (b) Require the selector to cease taking part in the selection process, or

- (c) Authorise the selector to continue involvement in the selection process but not take any part in any exercise of discretion with respect to the relevant athlete.

20. Replacement of team selectors

A team selector who does not or cannot adequately fulfill their roles and responsibilities will be withdrawn from the team selection committee and replaced by another individual.

21. Conflicts, Disputes or Disagreements

In the event of any conflict, dispute or disagreement between team selectors which cannot be satisfactorily resolved within the selection committee, the matter will be referred to the Chair of the selection committee.

22. Power to Amend this Policy

This policy can be amended at any time by Little Athletics NSW if it is of the opinion that:

- Such an amendment is necessary as a result of any change in the Little Athletics Australia Guidelines.
- To give effect to the policy following discovery of a drafting error or oversight.
- For any other reason determined to be in the best interests of LANSW.

LANSW will not be responsible or liable to anyone because of any such amendment.
